## SKIN CARE CLASSICS

**MINI CLASSIC FACIAL** ~ This 45 minute treatment includes deep cleansing, light steam, extractions and ending with a mask customized to your skin type. This facial is also great for teens and will help educate them on the importance of home care. \$50

**PURIFYING FACIAL** ~ Designed to help remedy acne, control bacteria, prevent irritation and loosen pore blockage and congestion. Ideal for problem back areas too! \$68

**THERAPEUTIC EUROPEAN FACIAL** ~ A specialized treatment customized to reduce stress and meet the unique needs of all skin types. Includes a deep pore cleansing, exfoliation, warm mist, a luxurious heated hand and arm treatment, and a head neck and shoulder massage. Ending this relaxing and nourishing experience is a customized finishing mask. \$75

*Add peel to any facial for additional \$10*

## ADVANCED SKIN CARE AND REJUVENATION

**PHOTO FACIAL** ~ Using Intense Pulsed Light, a precise balance of light and heat safely targets sun damage, age spots, superficial veins, wrinkles and loose skin to encourage collagen production. This treatment promotes restructuring of the skin and minimizes visible signs of aging. A series of 3 to 6 sessions are recommended. \$125

**ACNE PHOTO FACIAL** ~ Using concentrated flashes of heat and light. This treatment works deep down under your skin to destroy acne- causing bacteria. The process of healing at the skin's core, promotes cell growth and a fresher clearer complexion. Recommended sessions: 2 times/week for 4 weeks. \$85

## FACIAL PEELS

**GLYCOLIC AND LACTIC PEELS** ~ Enhanced exfoliation designed to minimize fine lines and hyper-pigmentation and improving the over-all texture of the skin. \$55

**HERBAL ENZYME PEEL** ~ Activated by plant enzymes, this rapid exfoliation is designed to promote healing for problem skin, lift dead skin cells, lighten pigmentation and refine skin texture. \$55
